 Organic Search Positions for google.com database

Atlanta SEO is one of the most competitive and lucrative markets for search engine optimization and internet marketing clients (top growth US major city). Dominating competition, over \$30,000 dollars worth of traffic every month through organic SEO, Bing ads, Google adwords, and Facebook retargeting.

The Brand Promoted: Atlanta SEO

Atlanta SEO: Full service client SEO (search marketing, organic, paid, social media) company focused on high end deliverables and clientele.

Methodology: Beautiful web design. Hyper relevant landing pages for all services provided. Perfect, technical search engine optimization (Onpage). Collaborate with trusted, real websites with integrity. Craft compelling, true stories about the brand showcasing their value in the marketplace, supported with imagery, relevant 3rd party citations, and excellent writing. Reach out to real website owners, negotiate price, craft content, submit, get live, and socially share
